## Warehouse Management System

Designed to control all of your warehouse's activities, quickie Warehouse allows you to track every unit of inventory down to the lowest level of detail – for improved order fulfilment and inventory accuracy.

### Scale & Grow Profitably

Eliminate paper-based processes and reduce repetitive tasks.

### Manage Products Better

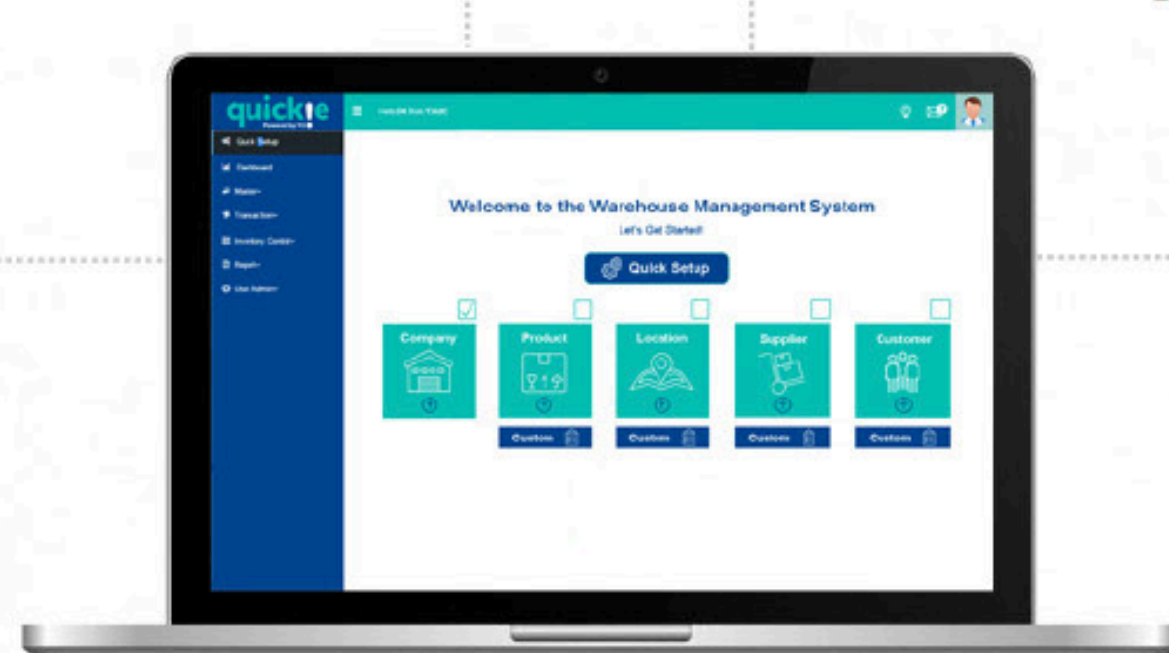

Know exactly how much inventory you have and manage aging stocks better to reduce losses.

### Reduce Order Errors

Guarantee the *correct* orders are *always* delivered to your customers.

### Track & Improve Performance

Gain insights to make better decisions to improve how you're performing.

Improve Visibility of Operations

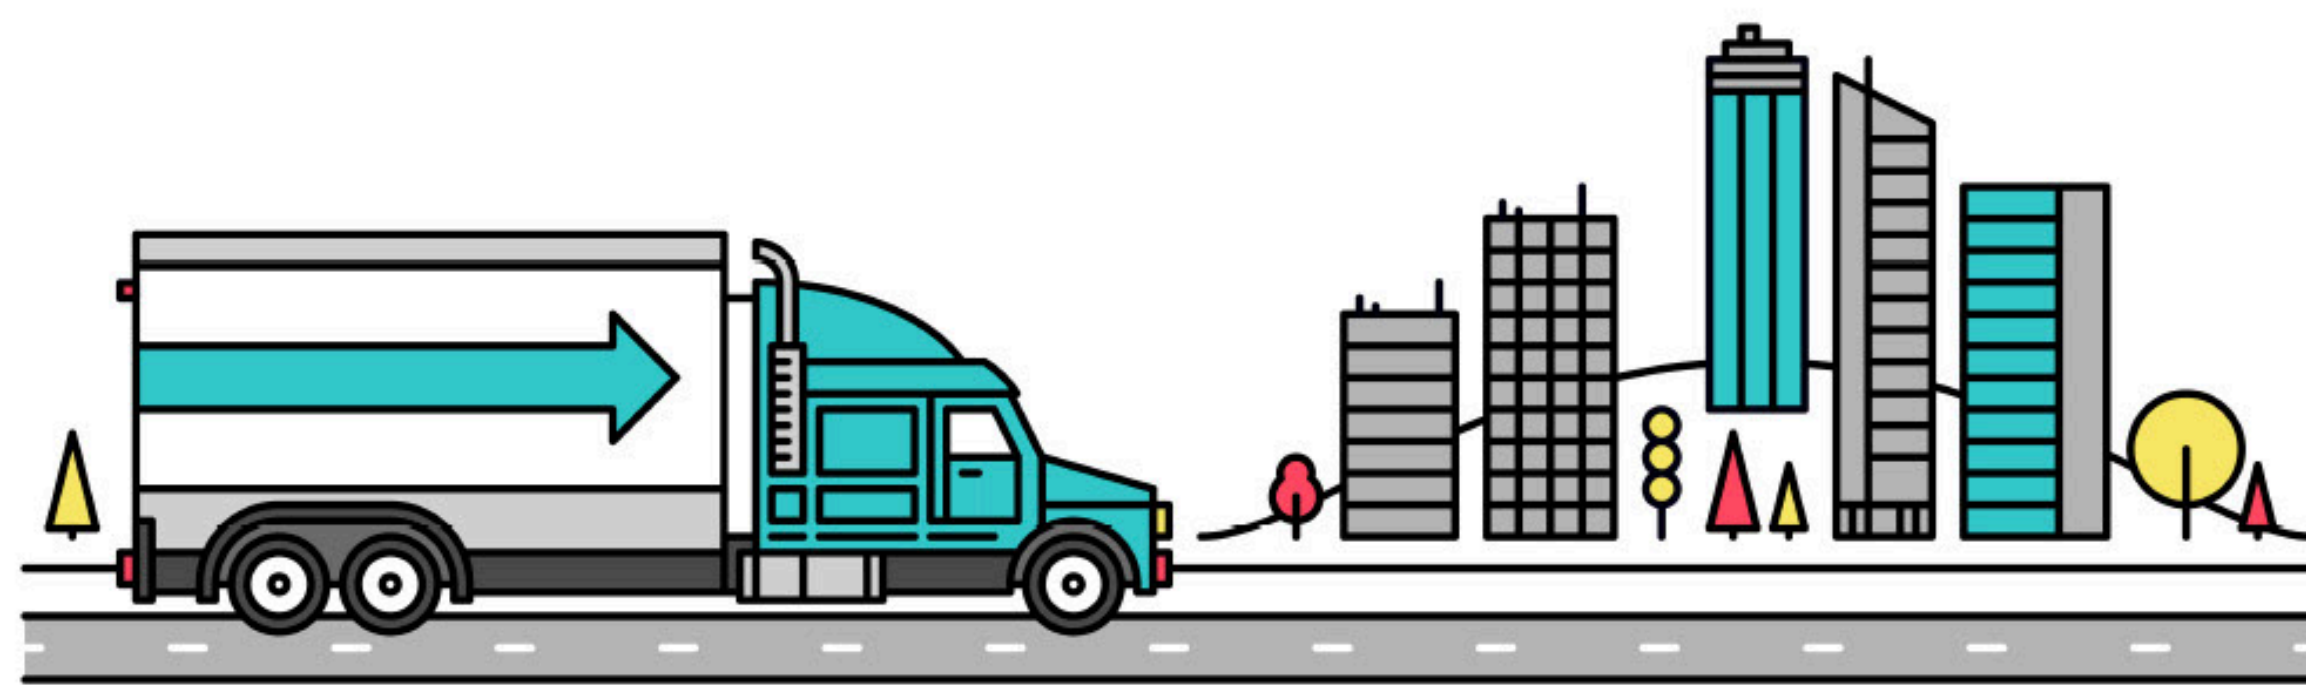

Right-Size Inventory

Reduce Time to Fulfill Orders

Enhance Order Fulfillment Accuracy

## Transport Marketplace

Built to help you outsource transport with ease of mind as you scale, quickie Transport Marketplace opens your business to a pool of *trusted* third-party transporters to help you fulfill orders *anytime, anywhere*.

### Improve Customer Service Levels

Fulfill orders cost-effectively and tackle peaks and troughs in customer demand with confidence.

### Track Shipments in Real-Time

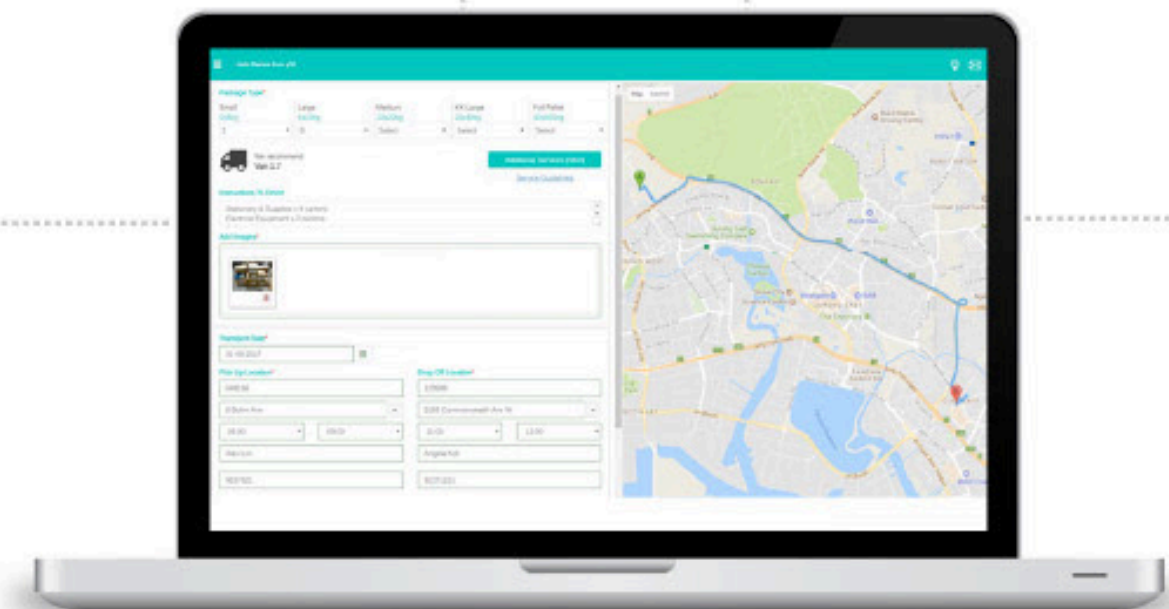

No more frantic last-minute phone calls or e-mails. Know *exactly* where your shipment is.

### Reduce Operations Costs

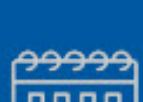

Save on driver overheads, vehicle maintenance and unproductive fuel costs.

### Access Reliable Transporters

Have all the *critical* information you need about your transporter on hand.

Competitive Shipment Rates

Multi-Job Booking In Advance

Dynamic Demand Responsiveness

Flexible Payment Methods

## Transport Marketplace

## How Does It Work?

Shipper

### Request a Shipment Job

Let us know the time and location. You can request multiple shipment jobs at a time

### Tell Us What You're Shipping

Select a parcel size, specify the product type, e.g. equipment, food, and upload an image

### Receive a Match

We'll send you an e-mail and SMS notification with the Driver's details

### Issue Payment

You can pay via bank transfer, credit card or PayPal. We'll hold payment until the job is completed.

### Woohoo! You've made a delivery!

Get started with your next shipment(s) in no time.

### Upload Your Company Info

Company name, registration no., driver names/IDs, and bank account no.

### Let Us Know When You're Available

Indicate the number of vehicles and types, e.g. van, truck, you have

### Accept a Match

New shipments jobs will flow into your dashboard. We'll send you e-mail as well.

### Receive Payment

Payments will be issued based on your preferred method.
